#### Robust and Enduring

Our styli for measuring systems are characterised by durability, robustness and the highest quality.

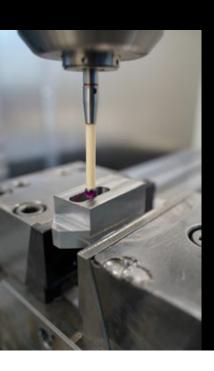

#### Highest Quality

Mitutoyo styli are made to the highest standards to ensure maximum quality and performance.

Precision machined components made from the finest quality materials and Grade 5 (DIN 5401:2002) styli balls set the base for industrial quality assurance.

### Compatible

Mitutoyo styli are identical in construction and interchangeable with standard styli on the market.
